RE: New Pricing

Hi Everyone,

The shippers raise their rates every year like clockwork and we here at **Buffalo's Shipping Post** must raise ours to keep up. We enjoy the loyalty from all of our clients and we hope to continue serving you for many years to come.

We are trying to keep up with the times. **Beginning June 1, 2019**, the new pricing will take effect, and please note our **attached** pricing guide for each state.

Customers will be charged an additional **\$5.00** fee for pick up at time of billing.

Things to remember:

- 1) With the wine that you are shipping, to make sure it gets delivered properly and on time, we urge that it be shipped to a business address, not one that is home based.
- 2) Please remember an **ADULT SIGNATURE** is required for delivery of wine to any address.
- 3) Air service is for **STANDARD SERVICE**. This may mean up to the end of the business day for deliveries in some areas.

Case prices are based on a weight of 42 pounds per box; any additional weight will be assessed at \$2.00 per pound for all Shipping Services. And also please note that a count of 7 to 12 bottles is considered a case, and will be charged as such.

Thanks,

Joan Bredehoft
